SUPPLEMENTAL INFORMATION
DISCLOSURE STATEMENT UNDER
37 CFR §1.97 and §1.98

Mail Stop Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The references cited on attached form PTO/SB/08B are being called to the attention of the Examiner. Copies of the references [in compliance with the requirements of 37 CFR §1.98(a)(2)] are enclosed. It is respectfully requested that the cited references be expressly considered during the prosecution of this application, and the references be made of record therein and appear among the "references cited" on any patent to issue therefrom.

The references had been previously submitted in an IDS mailed March 21, 2005. In an Office action mailed, it was noted that Cite No. 40 and Cite No. 51 were not found in the file of record. In a response (mailed December 27, 2005) to that Office action it was explained

that the references in fact had been scanned. An exhibit (Exhibit A) was submitted showing that the missing cites are in the PAIR system. In a discussion with Examiner Li, it was determined that this supplemental IDS would be a more expeditious means for providing the references.

As provided for by 37 CFR §1.97(g) and (h), no inference should be made that the information and references cited are prior art merely because they are in this statement and no representation is being made that a search has been conducted or that this statement encompasses all the possible relevant information.

For the reason set forth above, Applicant believes that a certification and fee are required for submission of this statement. However, if a fee is required, the Commissioner is authorized to deduct such fee from the undersigned's Deposit Account No. 20-1430. Please deduct any additional fees from, or credit any overpayment to, the above-noted Deposit Account.

Respectfully submitted,

George B. F. Yee
